MEMORANDUM FOR:

Director of Intelligence,  
General Staff, U. S. Army

SUBJECT

Request of Un-American Activities Committee.

1. In reply to your memorandum of 28 September 1949 concerning a request from the House Un-American Activities Committee, the Central Intelligence Agency has no objections to releasing on a CONFIDENTIAL basis to that Committee Exhibits 1 through 23 in the [redacted] Case.

2. This Agency, in addition, fully concurs in your position that the dissemination of other documents relating to Soviet espionage abroad would in fact endanger United States intelligence sources and methods. Moreover, it is believed that no documents obtained by the Occupation Forces, or otherwise, relating to Soviet espionage activities within the United States should be released to the House Committee without full knowledge and concurrence of the FBI.
